

# einstein™ LabMateII

Turns any tablet, computer or smart phone  
into a wireless science lab!

## Advanced STEM lab from anywhere

COMPATIBLE WITH ALL  
OPERATING SYSTEMS

EINSTEIN CONNECTED  
LAB ECOSYSTEM

8 BUILT-IN  
SENSORS

EXPLORATION &  
ANALYSIS APPS

# STIMULATES ACTIVE LEARNING AND CHALLENGES ADVANCE LEARNERS

The **einstein™**LabMateII works with all the **einstein** lab applications for elementary to high school

Run any STEM experiment

Analyze using advanced tools

Create workbooks

Share workbooks with your students

## 8 Built-in sensors:

UVI

Light

Temperature

Heart Rate

Humidity

Heat Index

Barometric Pressure

Dew Point

High Sample rate

Connect up to 8 additional (external) Sensors

Offline mode experiments

Indoor and outdoor experiments

Auto Sensors recognition

Internal memory up to 750K samples

Long lasting Battery

USB Connection

Long wireless range Bluetooth (BLE)
